

Open Call for Expression of Interest for a position of:

- Recognized Researcher, RR, (R2- PhD holders or equivalent who are not yet fully independent)

in the following area

- **Economics of science and innovation**

In an attempt to strengthen its international profile, enhance the areas of expertise already developed in its faculty, and open new research avenues, the [Institute of Economics](#) is launching a call for expressions of interest for a new tenured position of Recognized researcher (R2)

in the area of **Economics of science and innovation**

The expertise of the current academic staff of the Scuola in this area is mainly focused on the following themes:

- Innovation, structural change and industry dynamics
- Technological change in history
- Empirical economics of intellectual property rights
- Modeling and analysis of large datasets
- Innovation policy

The position would be covered either by:

- a direct appointment (i.e. *chiamata diretta*) according to the Italian law (Law 230/2005 art. 1 par. 9)
- an open competitive evaluation procedure (i.e. *concorso*) according to the Italian law (Law 240/2010 art. 24)

Before any formal opening of a position, the Scuola Superiore Sant'Anna is launching a Call for Expression of Interest (CEI) from potential candidates.

Profile. The Institute of Economics is looking for economists of science and innovation with a research background in one or more of the five previously indicated research domains and who are expected to carry out cutting-edge research in synergy with the existing academic staff working on related topics. The recruited Researcher will contribute to strengthening the teaching activities of the Institute at all levels of education (undergraduate, Master and PhD). He/she will also be actively involved in the management and administrative activities of the Institute.

The adequacy of the potential candidates will be assessed by the School leadership and by the relevant recruiting structure also on the basis of the self-assessment form reported in the **Annex**.

Terms and Conditions. The starting yearly gross salary for a Recognized Researcher is **€ 40.523,81**, and can be increased based on seniority and qualified research results. The severance pay is equal to one monthly gross salary for each year of employment. As employer, the Sant'Anna School pays contributions to both the Italian social security and the Italian public health systems. Individuals who have conducted at least two years of research abroad may also qualify for a temporary reduced taxation regime (pursuant art. 44 of Italian Law 78/2010).

Application procedure. Please fill in the **Annex** and submit the application by email to scouting@santannapisa.it by **30 June 2024**, enclosing a copy of the CV. Please indicate in the subject line: **RR-INNOVATION ECONOMICS**.

In case of inquiries, please contact the Institute's Director Prof. Andrea Roventini: andrea.roventini@santannapisa.it.

Timing. It is expected to fill the position by the end of 2024.

Equal opportunities: Scuola Sant'Anna is an equal-opportunity/affirmative action employer. Women and underrepresented minorities are especially encouraged to apply.

Disclaimer: this is not yet a job vacancy advertisement. Based on the expressions of interest for this potential position, the Sant'Anna School for Advanced Studies will determine whether or not to launch an open competition (pursuant art. 18 or art. 7 of the Italian Law 240/2010) or to proceed with the direct appointment (pursuant art. 1 par 9 of the Italian Law 230/2005).
